Book Study: Radical Forgiveness: God's Call to Unconditional Love by Brian Zahnd (Available in the Cathedral Bookshop)

Rev. Anne Arthur and Canon Walker, Facilitators

Recover the true beauty of Christianity as found in forgiveness. If Christianity is to be a compelling and relevant voice in the 21st century, it needs a return to its roots. Beginning with the horror of the Holocaust, Radical Forgiveness explores what forgiveness means – and how far it should go – in the real world of human suffering. Zahnd tackles questions such as: Should we always forgive? Is forgiveness always even possible? Does forgiveness enable evil? Does it sacrifice justice? Are there any limits? Class meets in the Conference Room.

Book Study: The Gnostic Gospels by Elaine Pagel

Susan Hotchkiss, Facilitator

Elaine Pagel's book gives a clear, readable and effective introduction to the gnostic tradition within the early church. These early writings, defined as heretical by the second century, were a challenge to early orthodoxy. Pagel's book shows what impact the discovery of the Nag Hammadi texts in 1945 has on modern interpretations of the life, death and resurrection of Jesus. Class meets in the Cathedral Bookshop.

Getting Started with the New Bible Challenge (New Testament/Psalms only) and the Book of Common Prayer—*Rhonda Canby, Facilitator*

This second "Bible Challenge" from +Bishop Beisner is a much lighter read! It invites participants to read a chapter from the New Testament, a Psalm, and one of the prayers from the Book of Common Prayer each day beginning March 5th and ending December 30th. The Bible Challenge's goal is to re-acquaint us with scripture and our Prayer Book as part of our own spiritual journey. Rhonda Canby will facilitate those who wish to do this as part of a community on Thursday Nights beginning February 20th. The first two sessions will acquaint participants with the Book of Common Prayer and its use in this project. Class meets in Classroom F.

TNAC CLASS beginning March 6

The Meaning of Mary Magdalene: Discovering the Woman at the Heart of Christianity by Cynthia Bourgeault - Facilitated by the Rev Kathy Hopner

Mary Magdalene is one of the most influential symbols in the history of Christianity—yet, if you look in the Bible, you'll find only a handful of verses that speak of her. How did she become such a compelling saint in the face of such paltry evidence? In her effort to answer that question, Cynthia Bourgeault examines the Bible, church tradition, art, legend, and newly discovered texts to see what's there. She then applies her own reasoning and intuition, informed by the wisdom of the ages-old Christian contemplative tradition. What emerges is a radical view of Mary Magdalene as Jesus's most important disciple, the one he considered to understand his teaching best. Cynthia shows how an understanding of Mary Magdalene can revitalize contemporary Christianity, how Christians and others can, through her, find their way to Jesus's original teachings and apply them to their modern lives. Class meets in Classroom J.
