Benefit Organ Concert with Canon Link

TODAY at 4:00 pm

The concert is a benefit for NorCal AIDS Cycle, a 330 mile/4 day bike ride which raises funds for local agencies serving those suffering from HIV/AIDS. Many of these agencies also provide prevention and testing services, to help stem the tide of this entirely preventable disease. So in addition to pedaling his bike three-hundred and thirty-miles, Canon Link will be playing the organ pedals to raise funds for NCAC, on Trinity Cathedral's recently restored pipe organ.

David Link recently celebrated his thirtieth year as Canon Musician at Trinity Episcopal Cathedral, and has participated in NorCal AIDS Cycle for the last five years. Canon Link rides in memory of Kenneth Piercy, a long time Trinity Cathedral Choir member who died from complications of AIDS in 2011.

The program will include: "Fantasia in G major (Piece d'Orgue)" by J.S.Bach, "Rondeau" by Henry Purcell, "Fantasie sur le Te Deum" by Charles Tournemire, and much more.

The suggested minimum donation for the concert is \$10 at the door, though donations of any kind, large or small will be gratefully accepted!

Floyd School

We are excited about presenting a children's play/musical, "Sleeping Beauty" at Floyd Elementary School, the below poverty level school adopted by Trinity Cathedral. These students have never before had the opportunity to perform in any type of theatrical production.

Besides assisting with rehearsals, we are looking for help in preparing sets, lighting, costumes, make-up, and music. Rehearsals will begin within the next few weeks, concluding with two final performances during the first week in June.

If you have any interest in helping introduce these students to the magic of the theater experience, please join us!
