Learning how to be at Peace in spite of Adversity is the demonstration of spirit. Coming to a place of confidence that everything matters to God where we find Good in everything we see, hear, touch, feel, know and think, is the homecoming we all seek; and then we are equipped with the Light of Christ to walk back down into the dark places to bring the Light of Faith Hope and Love to those who are weary with the heaviness of a troubled life.
- Facilitator - Susan Hotchkiss: **Holy Women, Holy Men Celebrating the Saints.** This wonderful resource contains lives of men and women who have served God and humanity from ancient history to more current times. We will discuss the make up of the book and delve into the historic context that put these people in the places and times God needed them to be.
