Toiletries for St. Matthew's

It has happened more than once...in I come with a large bag of toiletries from Trinity, and then "Wow! Thanks so much, we had nothing left to give people...you came just in time."

Yes, it is a little thing, but all those little soaps, toothbrushes and shampoo's matter a great deal to those who come to St. Matthew's for such basic supplies.

Thanks to all of you who bring them to give. It is a joyful thing to bring them for their use. In giving we receive. ~~~ Carol Savoie

The theme of this year's Women's Retreat is "A Time to Heal". Many of us struggle to find balance in our lives. Our bodies, minds and spirits suffer as the pace and chaos of life pulls us away from being centered in Christ. The purpose of this retreat is to help us re-find our heartbeat and to catch some peace! Registration deadline is May 11 and the charge is \$165. Registration forms are available in the Cathedral Bookstore. After May 11 the charge is \$175. Contact Canon Walker if you have questions.

Bible and Book of Common Prayer Challenge

The goal is to read one chapter in the New Testament, one Psalm, and one of the prayers in the Book of Common Prayer each day for one year to anchor each day in scripture, and to become familiar with the beauty of the prayers in the Prayer Book. **Rhonda Canby** is the facilitator for this TNAC class.

The Resurrection of Jesus

We will gather to explore the meaning and the implications of the Resurrection of Jesus. In this text, two of today's most important and popular New Testament scholars--John Dominic Crossan and N.T. Wright--air their very different understandings of the many historical realities and theological meanings of this singular event that separates Christianity from other faith traditions. The **Rev. Canon Tina Campbell** and The **Rev. Canon Lynell Walker**, are the co-facilitators of this class.

The Life of Muhammad

If you have an interest in learning about Muhammad and how Islam began, please join us for a five-week class on the life of Muhammad. We will view parts of the PBS documentary each week and discuss what we have learned---and there is much to learn. **Susan Hotchkiss** is the facilitator for this class.

The Laws of the Spirit by Dan Millman

The Laws of Spirit opens with the story of Dan Millman's encounter with a sage in the wooded hills near his home. Through stories, tests, and experiences in the wild, the sage challenges Millman to examine 12 core principles that underlie human existence: balance, choice, process, presence, compassion, faith, expectation, integrity, action, cycles, surrender, and unity. The book shows how these keys - at the heart of every religion, culture, and moral system - can lead to a deeper sense of meaning, connection, and harmony with the world. It also shows readers how these principles can transform relationships, careers, finance, and health. **Vaughn Wolff** is the facilitator for this class.

The Art of Hosting Conversations That Matter

Learn how to host meaningful conversations that range from personal to large groups, and recognize the Spirit's presence in our midst. Discover and explore practices that enable courageous leadership in the midst of uncertainty and complex challenges. Empower the reality that everyone is a leader to facilitate change. The **Rev. Megan Anderson** and The **Rev. Kathy Hopner** are the co-facilitators of this class.
