TNAC CLASSES

Holy Wholly One, Behold Me, Wholly One

Facilitated by Morey Lloyd

Most of the science of philosophy has taught us that God is omnipotent- all powerful, omniscient- all knowing and omnipresent. Much of the theology of tradition tells us that God is Holy - in the vision of Isaiah: Holy Holy Holy. The Holy One is usually defined with a separate and exclusive nature. We will look at a revelation of the Divine as not exclusive but rather as the All Inclusive One. We will learn how to love, and be loved by, a Whole God with a Whole heart and how to love a Whole neighbor as the Whole self is loved.

Mental Health from a Spiritual Perspective

Facilitated by Vaughn Wolff

We will look at the "root of bitterness"; and where it finds its way into the good soil and how this gets nourished. Not stopping there, how we (the community) must learn how to help "tend the garden" so that our own voice can grow stronger than the "voice of despair". We will refer to various texts and experiences. Tracing effect backward to primary cause, will help turn our mind to Good away from Evil when we realize we have the power to take charge of circumstance. This will be follow up discussion from the Mental Health 101 class.

Decorative Paper Cutting

Facilitated by Karen Olmstead

If you're in the mood to do a little crafting, come see what amazing things you can create with nothing more than scissors, paper and glue. Paper cutting is a traditional folk craft practiced around the world. In this class, we will explore paper cutting techniques from Germany (scherenschnitte) and Poland (wycinanki). The class is free and all supplies will be provided in class. If you are interested in the class please contact Karen at misty.pumpkin4522@gmail.com.
